

## Barbeque Awareness Message From Union Bay Fire Rescue

### BBQ safety:

- Never leave a hot grill unattended
- Clean the grill's grease tray regularly to avoid it catching on fire
- Never pour water on a BBQ grease fire! Use a fire extinguisher or baking soda, or check the BBQ manufacturer's instructions
- Only use propane, charcoal and wood pellet BBQs outside. Using them indoors can cause a fire or carbon monoxide poisoning
- Only grill outdoors, away from siding and deck railings, and away from eaves and branches

**Only use a BBQ  
outdoors, away from  
walls, branches  
and eaves.**

Never leave a BBQ  
unattended when  
in use!
