Union Bay/Fanny Bay Fire Rescue High Risk Exemption Application

Describe the scope of work to be undertaken:

What are HIGH RISK activities will you be conducting from which you are seeking an exemption for? (Select all that apply):

- a. Mechanical brushing
- b. Disk trenching
- c. Preparation or use of explosives
- d. Using fire or spark producing tools, including cutting tools
- e. Using or preparing fireworks or pyrotechnics
- f. Grinding, including rail grinding
- g. Clear and maintaining rights of way, including grass mowing
- h. Mechanical land clearing
- i. Any of the following activities carried out in a cut block excluding roads, landing, roadside work area or log sort area in the cut block
 - i. Operating a power saw
 - ii. Mechanical tree felling, wood debris piling or tree processing, including de-limbing
 - iii. Welding
 - iv. Portable wood chipping, milling, processing or manufacturing
 - v. Skidding logs or log forwarding unless it is improbable that the skidding or forwarding will result in the equipment contacting rock
 - vi. Yarding logs using cables

Please provide rationale to support why granting this exemption would be in the public interest?
